

3.2 Side Bar Tools

The NovoTouch user interface features a set of interactive tools that are accessible from any screen/app in the interface by touching the arrow button on the left and right side of the touchscreen, as seen in the image below.

The tools include the following items:

Item	Description
	Return to the previous screen.
	Return the display to the home screen.
	Allow you to switch between the recently opened apps.
	Open the All Apps menu.

	Launch the Note app. See the Note section for more information on the Note app.
	Enable and Disable to On-Screen annotation.
	Allow you to create a screenshot of the screen which can be annotated using the touchscreen and then saved.
	Launch the freeze screen tool which allows you to freeze the image shown on the display and then zoom in or out on the frozen image.
	Allow you to activate/deactivate a 4-digit screen lock password.
	Open menu of additional interactive tools including the following: · Spotlight: Illuminates only a portion of the image shown on the display. · Countdown: Turns the touchscreen to an interactive countdown clock. · StopWatch: Turns the touchscreen into an interactive stopwatch.
	Open the input source menu.
