

How To Set Up A Schedule

This feature allows users to assign a playlist or settings to play at a specific time of day and then apply that schedule to a device or group.

4.1 Creating a schedule

Step1. Click the 'Quick Actions' icon listed on the top side, then a menu pop-on the screen.

Step2. Click 'Misc. Resources' listed on the bottom (marked in red).

Step3. On this page, there are four features that can be set up. Click the tab 'Display On/Off Schedule' to create a power on/off schedule.

Step4. Click the 'Create' button on the top left side. Then, the 'Create Display On/Off Schedule' window will appear on the screen.
