Activating NovoStage

NovoStage provides a free one-month trial for initial use. When the free trial ends, you will need to purchase a license to continue to use the software.

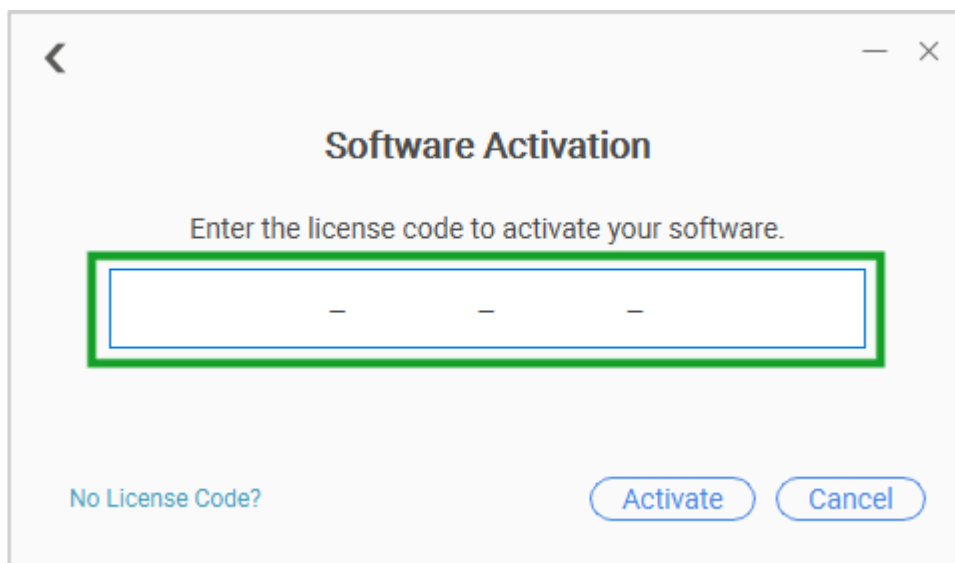

NOTE: Contact your local Delta service center to purchase a license.

To activate the license:

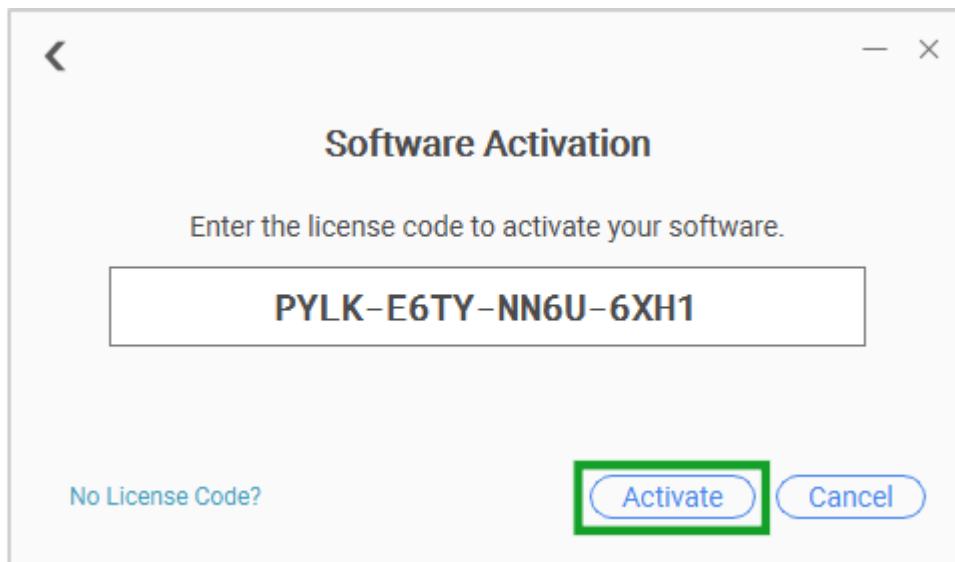

Step1. Click **Activate my license** on the NovoStage main screen.

Step2. Enter the 16-digit code in the license code field.

Step3. Click **Activate**.

Step4. A confirmation message will appear indicating that the full version has been successfully activated. Click **OK** to start using NovoStage. Go to [Starting a NovoStage Session](#) for instructions on using NovoStage.
