

# What is the screen orientation and layout preference of my NovoDS device?

The following table is a good summary of these information.

|              | Screen<br>Orientaion<br>Landscape | Screen<br>Orientaion<br>Portrait | LayoutGrid | LayoutFlexible |
|--------------|-----------------------------------|----------------------------------|------------|----------------|
| NovoDS Mini  | Yes                               | Yes                              | Yes        | No             |
| NovoDS       | Yes                               | Yes                              | Yes        | Yes            |
| NovoDS4k     | Yes                               | Yes                              | Yes        | Yes            |
| NC - X700    | Yes                               | Yes                              | Yes        | Yes            |
| NC - X900    | Yes                               | Yes                              | Yes        | Yes            |
| NovoDisplay  | Yes                               | No                               | Yes        | Yes            |
| NovoTouch EK | Yes                               | No                               | Yes        | Yes            |
| NovoTouch LK | Yes                               | No                               | Yes        | Yes            |
